EOL Notification – K2 Option for DIN-Rail product, W and X series

Dear Valued Customer,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. This product is not available for last time buy as its EOL status is immediate.

If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Support Representative.

Suggested replacement parts are shown on next page.

We would also like to take this opportunity to thank you for your business in the past and to assure you that everything we do is aimed at becoming your power supply partner of choice in the future.

Yours faithfully,

Audrey Boulot
Product Manager
Bel Power Solutions
